## SP80-3R

### Description

Upsyde pallets offer cost-effective and sustainable solutions for various logistics applications. Built for durability, the pallets perform in rough outdoor environments, minimizing damage and replacement costs. Made from over 95% recycled plastics, they are also 100% recyclable at the end of their lifespan.

### Benefits

#### COST-EFFECTIVE

- High impact-resistant
- Weatherproof
- Chemical resistant

#### SAFE

- Non-slip, closed top deck
- Free from nails and splinters

#### CONVENIENT

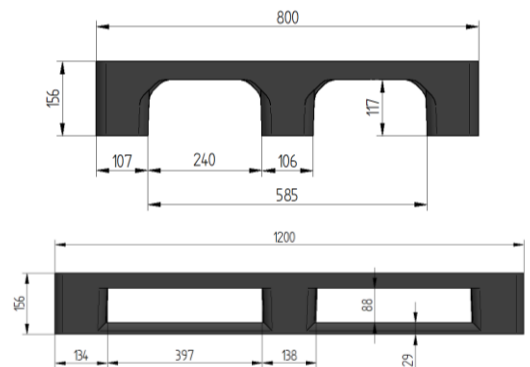

- Easy to clean
- ISPM 15 compliant

#### SUSTAINABLE

- Made from > 95% recycled plastics
- 100% recyclable at the end of life

#### VERSATILE

- Multiple sizes available
- Customizable branding/logo
- RFID available

### Technical Data
